- **Determine whether there are countries outside the U.S.**
- **Are there any states with unusually high numbers of colonies?**
- **Is there a connection between the year and the yield per colony?**

Freeze panes

Filter to see that there are only u.s. countries

Sort to compare the number of colonies by state

Filter selection for 1998, 2012, 2004, then google to find the bee crisis happened in 2008 and look at that year as well
